**Subject:** Re: HORIZON MINE 4TH QTR H2O MONITORING

I have uploaded all of the information for the Horizon Mine from the pipeline into the database. A report is attached.

You are still missing all three samples for UTG040019-001 and Nov. and Dec. for UTG040019-002. I realize that most of those have not been taken yet, please just make sure to get them in by the end of the first quarter of 2005.

Please let me know if you have any questions.

Thank you,
